FOUNDATIONS OF EPIDEMIOLOGY

Oxford University Press. Paperback. Condition: New. 384 pages. Dimensions: 9.2in. x 6.1in. x 0.7in. The Foundations of Epidemiology is an introductory level text intended for a broad range of courses in epidemiology, including those in medical schools, schools of public health, dental schools, schools of nursing, and other professional schools. Minimal familiarity with statistics is assumed in the book, although the text is not intended as a primary introduction to statistics; an appendix provides the necessary overview of statistics necessary to...
