By Frederick Payne Millard

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Poliomyelitis (Infantile Paralysis) In undertaking to publish a book on the subject of Poliomyelitis, the author is aware that this is not the first attempt made along this line. Our medical co-workers have contributed their quota, presenting their side of the subject, and giving their viewpoint regarding causative factors and treatment. This is, however, the first attempt to produce a book on this subject from the osteopathic viewpoint. We have as our illustrious guide the late Dr. A. T. Still, originator and founder of the science of Osteopathy. No greater philosopher ever lived, and no greater physician ever served as a benefactor to the human race. His evolution of the therapeutics of adjustment, adjustment of the skeletal tissues, which has already done much to modify medical practice, is practically new to the world. All over this fair land multitudes of people once lame, crippled or bedridden have been restored to health and happiness. Dr. Still paved the way for this new method of treating Infantile Paralysis. His reasonings were those of a sane man, a...
