

Methadone: Bad Boy of Drug Treatment: What Works What Doesn't (Paperback)

By Rebecca Janes Lmhc Ladc

Outskirts Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Don't believe everything you hear - get the facts about methadone treatment Aren't they just getting high at taxpayer's expense? Does methadone really eat your bones? I thought Suboxone meant we wouldn't need methadone anymore! Do they have to stay on that stuff forever? Methadone is not the liquid handcuffs - addiction is the handcuffs- methadone can be the key to those handcuffs, if it is used effectively. Methadone is one tool in opiate treatment. As with any tool, it can be used or it can be abused. In trying to control opiate addiction, we need every tool we can get. LEARN- Mistaken Beliefs of the General Public One of the most destructive factors in methadone treatment is the disdain conveyed by many of our clients' families, health care and social service providers, as well as much of the recovery community. Misinformation Addicts tell Each Other Many of the myths about methadone are perpetuated by the clients themselves. Some clients are willing to believe whatever they hear in the parking lot more than from the staff....
