Createspace, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. There are precious few things in this life of which I am certain. One is the love I have for my son, Andy. The other thing of which I am certain is this: no one wants to be an addict. - from the book. Here s what readers have to say: Kim s writing style is clear, lucid, revealing, and on a par with the best of skilled non-fiction authors - Thor Heyerdahl, Thomas Thompson, even James Michener or my favorite, Jan de Hartog, and she is able to make the reader relive her addictions - all of them - to the point that I HAD to put the book down several times and de-tox myself, or at least breathe normally, before I could return to it. If you didn t know that she made it through the other side (because she is telling her own story), you might not believe she will come out of it alive. Kim lays out her life story, with memories that help show her state of mind as she started using different drugs and then meth. But it s not a woe is me story, and...
