BREATHING UNDER WATER

Bolinda Audio, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. An evocative and emotionally powerful debut novel of life, death, and learning to breathe in between. Nineteen minutes and eleven seconds separated us at birth. On the official documentation, he is older. Although it really has nothing to do with age. What it really means is that I am, and have always been, second. Ben and Grace Walker are twins. Growing up in a sleepy coastal town it was inevitable they'd surf. Always close, they hung out more than most brothers and sisters, surfing together for hours as the sun melted into the sea. At seventeen, Ben is a rising surf star, the golden son, and the boy all the girls fall in love with. Beside him, Grace feels like she is a mere reflection of his light. In their last year of school, the world beckons, full of possibility. For Grace, finishing exams and kissing Harley Matthews is just the beginning. Then, one day, the unthinkable. The sun sets at noon and suddenly everything that was safe and predictable is lost. And everything unravels.
