Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.

(Wilbert Connelly)

WAR REPORTING FOR COWARDS

Grove Press Books, New York, New York, U.S.A., 2006. Mass Market. Condition: New. Chris Ayres is a small-town boy, a hypochondriac, and a neat freak with an anxiety disorder. Not exactly the picture of a war correspondent. But when his boss asks him if he would like to go to Iraq, he doesn't have the guts to say no. After signing a \$1 million life-insurance policy, studying a tutorial on repairing severed limbs, and spending \$20,000 in camping gear (only to find out that his bright yellow tent makes him a sitting duck), Ayres is embedded with a battalion of gung ho Marines who either shun him or threaten him when he files an unfavorable story. As time goes on, though, he begins to understand them (and his inexplicably enthusiastic fellow war reporters) more and more: Each night of terrifying combat brings, in the morning, something more visceral than he has ever experienced—the thrill of having won a fight for survival. In the tradition of M*A*S*H, Catch-22, and other classics in which irreverence springs from life in extremis, War Reporting for Cowards tells the story of Iraq in a way that is extraordinarily honest, heartfelt, and bitterly hilarious.
