AUTHORHOUSE, United States, 2015. Hardback. Book Condition: New. 229 x 152 mm. Language: English . If sex can be good and at the same time godly; also, what is sexually permissible for a Christian couple What happens when the initial attraction fades or love dies What to do when your spouse is attracted to or involved with an external party The key to raising godly offspring The pervading theme from which the book derives its title is that men and women are different by design....
