

## THE KNITTING STITCH BIBLE : The Essential Illustrated Reference

Filesize: 4.11 MB

### ***Reviews***

*A top quality publication as well as the typeface used was intriguing to learn. Yes, it is play, still an amazing and interesting literature. I discovered this publication from my i and dad suggested this book to learn.*

***(Prof. Louvenia Flatley)***

## THE KNITTING STITCH BIBLE : THE ESSENTIAL ILLUSTRATED REFERENCE

Kraus/Quarto Publishing, London, UK, 2002. Hard Cover/Spiral. Book Condition: New. First Edition, First Thus. BRAND NEW Copy. Illustrated boards w/backstrap-protected spiral bound text. Superalative reference/resource for knitters. Dictionary of 250 traditional and contemporary stitches with lucid instructions, charts, and color photographs. Stitch patterns range from the elegant and simple to the complex and ornate. There are several fine dictionary/encyclopedia of knitting stitches of equal depth in coverage, but in terms of clarity of presentation, visual pleasure, sensibility of format, intelligence of book design (frequent use without the book falling apart), this book stands apart. Pertinent to note there is a companion volume: The Embroidery Stitch Bible.
