Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

SPCK Publishing. Paperback. Book Condition: new. BRAND NEW, **Beauty and Brokenness: Compassion and the Kingdom of God**, Martin Lloyd Williams, "Beauty and Brokenness" explores the way we think about the relationship between creation and humanity, their respective brokenness and beauty and, in this connection, compassion (both as God's righteous indignation and meaning 'to suffer with'), faith and power. The author's thinking in this area began when his son was born with Down Syndrome thirteen years ago, and has continued developing in the last twelve months as his wife has been left physically disabled from the effects of a brain tumour. He uses as a starting point, Mantegna's painting "Presentation at the Temple", which is, in many respects, a traditional Madonna and Child composition except that the infant Jesus is depicted as a child with Downs.
