

Arts of Independence: The Cultural Argument and Why it Matters Most

Filesize: 9.5 MB

Reviews

This publication is wonderful. It normally is not going to expense too much. Its been printed in an extremely straightforward way in fact it is merely following i finished reading this publication where actually transformed me, modify the way i really believe.

(Russell Adams DDS)

ARTS OF INDEPENDENCE: THE CULTURAL ARGUMENT AND WHY IT MATTERS MOST

Luath Press Ltd. Paperback. Book Condition: new. BRAND NEW, Arts of Independence: The Cultural Argument and Why it Matters Most, Alexander Moffat, Alan Riach, There is only one argument for Scottish independence: the cultural argument. It was there long before North Sea oil was discovered, and it will be here long after the oil has run out. We believe, as teachers, artists, a painter and a poet, both of us travellers in other lands, both of us residents in Scotland, that Scotland should be an independent nation. ALEXANDER MOFFAT AND ALAN RIACH Arts of Independence takes a hard look at the most neglected aspect of the argument for Scotland's distinctive national identity: the arts. The proposition is that music, painting, architecture, and, pre-eminently, literature are the fuel and fire of political change. Following the success of Arts of Resistance, this new work by the same authors takes the argument over Scottish independence out of the hands of politicians and economists and beyond the petty squabbles of party politics.
