I am a believer in prayers and I know its efficacy and what it can do for believers. In my deepest and darkest moments, what really got me through was a prayer. I have discovered that intimate connection and communication with my creator will always get me through because I know that my support is only a prayer away. This book is inspired by the Holy Ghost himself and it urges us to continually pray without ceasing. This book contains many sections which covers the major aspects of our life: financial breakthrough, academic success, career success, children up-bringing, barrenness, good health and all round productivity in our lives and many other areas of our lives.
