

Elementary School Mathematics by Grades, Vol. 6: Commercial Affairs (Classic Reprint) (Paperback)

By William Estabrook Chancellor

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Elementary School Mathematics by Grades, Vol. 6: Commercial Affairs Boys and girls in the upper grammar grades of the free common schools of American towns and cities are pursuing courses Of study by no means uniform. There is perhaps no general agreement in educational practice beyond the fact that it is considered desirable that boys and girls should advance from elementary to secondary schools at about fourteen years of age. There are, however, marked tendencies to agree upon several other points. There is increasing agreement to the effect that pupils in the upper grammar grades should study what will most benefit them in discipline and in knowledge. We have come to see in the light of the new knowledge Of the facts and principles Of mental and moral growth, presented by genetic psychology, that what a child enjoys learning he profits by, and that what he profits by develops in him the normal life Of the child, which is the guarantee of an efficient life as an adult. There is a growing tendency to decrease the range of arithmetical instruction and...
