

## Me, the Crazy Woman, and Breast Cancer: Strength and Inspiration for the Patient, Survivor, and Those Who Love Them

By Stacy Shelton

Enlighten Press, United States, 2009. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Next to skin cancer, breast cancer is the most common cancer among women in the United States. Me, the Crazy Woman and Breast Cancer is about strength, solutions, support and wisdom for the cancer patient, survivor, caregiver or anyone who has a friend or loved one battling a life-threatening illness. In Me, the Crazy Woman and Breast Cancer, Stacy Shelton had to face every woman's worst nightmare when she was diagnosed, not once, but twice, with breast cancer. To make matters worse, a new presence, which she dubbed Crazy Woman, took up residence in her brain, wreaking havoc and forcing her to face her own mortality. By walking herself through her own death and conquering additional obstacles that sometimes seemed too much to survive, she discovered an enlightened sense of purpose and a newfound way of living, free from fear. Me, the Crazy Woman and Breast Cancer, is a hauntingly moving memoir that will leave you knowing all life's lessons are to be cherished. More so, it provides a roadmap to solace, both for those...
