THE LEADER IN ME: HOW SCHOOLS AND PARENTS AROUND THE WORLD ARE INSPIRING GREATNESS, ONE CHILD AT A TIME

DOWNLOAD

Franklin Covey on Brilliance Audio, United States, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. We only get one chance to prepare our students for a future that none of us can possibly predict. What are we going to do with that one chance? The world has entered an era of the most profound and challenging change in human history. Most of our children are not prepared, and we know it. Parents around the world see the change and know that the traditional three Rs reading, writing and arithmetic are necessary, but not enough. Their children need to become far more responsible, creative, and tolerant of differences. They need to increase their ability to think for themselves, take initiative, get along with others, and solve problems. Business leaders are not finding people whose skills and character match the demands of today s global economy, including strong communication; teamwork; analytical, technology, and organizational skills young people who are self-motivated, creative, and who have a strong work ethic. How will we bridge this ever-widening gap? The Leader in Me is the story of a growing number of extraordinary schools, parents, and business leaders around the world who are preparing a generation of children to truly lead their own lives and meet the great challenges and opportunities of the 21st century. The Leader in Me shows how easy it is to incorporate these skills into daily life. It is a timely answer to many of the challenges facing today s young people, businesses, parents, and educators one that is perfectly matched to the global demands of the 21st century.
