But is Bitcoin really an investor s grab-bag? Mastering Bitcoin is your guide through the outwardly complex world of Bitcoin, providing the knowledge you need to cut your slice in the future of money. Whether you re looking into the next killer venture, investing in a startup, or simply curious about the technology, this review by Nakamoto provides essential detail to get you started. Bitcoin is still in its early stages and yet it has already spawned a multi-billion-dollar global economy and forced the financial world to start thinking of transactions in a completely new way. A lot of us give the capacity of storing money, saving money, sending money to others and receive money electronically for granted because we are part...
