Perhaps you are tired of the information they leave out? Stock market investing is a hot topic, with everyone believing they can make money in the market. It makes sense that you want a step by step plan on how to invest. But, you do need to start somewhere. This book is created for individuals who know little to nothing about the market and even how it works. Throughout these pages, are answers to questions you have had. The stock market can be a wondrous way to make extra income. Hundreds of thousands of people have been successful in investing in the market and making a profit. Their profits differ. Some individuals have become millionaires simply by trading in the stock market. Other individuals have taken their dream vacation, but nothing else remarkable has changed in their life. Others have lost horribly and hate the market. Your success is dependent on how you approach stock market investing. If you approach it like a business, where you know the history of the market and the various pieces that make up the market, then you will be successful. In this book you will learn: A short background on the history of the stock market How the stock market works The major stock exchanges How stock performance and indices provide you a measurement of the stock market Types of investments you can make Investing in the stock market leaves you with a lot of questions. You will discover answers to...
