## HAVANA

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. High summer in Cuba, 1953, and Havana gleams with possibility. Flush with booming casinos, sex and drugs, Havana is a lucrative paradise for everyone from the Mafia, Domino Sugar, and United Fruit to pimps, porn-makers, and anyone looking to grab a piece of the action--including the Cuban government, which naturally honors the interests of its old ally, Uncle Sam. Of course, where there s paradise, trouble can t be far behind. Trouble, in this case, makes its entrance in the terrifically charismatic and silver-tongued form of a young revolutionary named Fidel Castro. The Caribbean is fast becoming a strategic Cold War hub, and Soviet intelligence has taken Castro under its wing. The CIA s response is to send the one man capable of eliminating Castro: the legendary gunfighter and ex-Marine hero Earl Swagger, who proved his lethal talent in the national bestsellers *Hot Springs* and *Pale Horse Coming*. In Cuba, Earl finds himself up to his neck in treacherous ambiguity where the old rules about honor and duty don t apply, and where Earl s target seems to have more guts and good luck than anyone else in Cuba.
