Life has always been rough for Sophie as a psychic, until she met Matt- the fire-fighter who saved her from a burning building. As they dashed across the city running from one evil and trying to avoid another, their love for each other blossomed, but that wasn't the problem. She knew loving him would only put him in more danger and though he didn't care, she did. Now that she has found out that her attackers will stop at nothing to get her including killing him if they saw fit to do so, she must insulate him against that possibility. But he has not made that easy. To make matters worst, he is hiding something from her.
