Written by 13-year-old Aryaman Dalmia, the book is an exercise in FAQs of the stock market. The author belies his age. According to Deepak S Parekh, Chairman, HDFC Ltd., he "provides investment advice lucidly with the astuteness of a veteran. "But the curiosity of a teenager comes handy in providing clarity. As a result, the book does not get lost in any sort of academic confusion. The book tells you how it helps to go by the book in the stock market. The key is to focus on the long term and not to be governed by the moods of the market. A true investor does not act on impulse.
