Asys Publishing, United Kingdom, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Graham Parsons is back in England, a fugitive from US law, but his freedom is still threatened by a vengeful US Senator and extradition. His life goes on hold, in a stasis of anxiety while in America, Chrissy Haddon and her mother confront their own demons of abuse and alcoholism. Is it time for Senator Haddon to answer for his deeds and make amends? The Gang rally to Graham s side once more, with support and practical help on both sides of the Atlantic that become quite extraordinary. But like Graham, with his telepathic connection with children needing help, they all know others would think their experiences were no more than fiction. As things begin to fall apart help comes from an unexpected source when the US State Department are persuaded to join in. Meanwhile, in Leicester, Lori is a frightened fifteen-year old, trapped in a world of drugs and prostitution. Yet in the darkness shines a tiny glimmer of defiance. Only she knows her real name is Marya, until she sees Graham s advertisements and puts her message in a bottle , triggering a dreadful reaction which causes Graham to suffer one of his worst nightmares.
