

Unity 5 from Zero to Proficiency (Foundations): A step-by-step guide to creating your first game

By P Patrick Felicia

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 176 pages. Dimensions: 11.0in. x 8.5in. x 0.4in. Creating your own game can be very intimidating at the start, and quite often, regardless of your experience with games, it is sometimes difficult to find the time and motivation to get over the first barriers and get started (e. g. , lack of time or coding expertise). Often, these barriers seem higher than they actually are. You may be a teacher trying to introduce games in the classroom, but with no previous coding or game development experience; maybe you are a hobbyist who would love to create interactive environments based on the games that you enjoy playing; maybe you are a student getting started with game development but you just dont know where to start or what resources to use; or maybe you have tried online video tutorials but found them disjointed. You may be wondering: How can I start to create my games if I have no experience of coding, or this game engine is so complex that I just dont know where to get started. This is quite common, and you can easily overcome these issues with...
