MATRICULATION LATIN (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. annotated edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Matriculation Latin This book contains Caesar and Virgil required for pass University Matriculation, besides a considerable amount of prose Latin for practice in sight reading. It contains also a statement of the principles of Latin syntax, together with exercises in prose composition based on Caesar. This inclusion of selections from both prose and poetry in the same volume is attended with certain advantages, and is not altogether a new departure, as the plan has been followed in recent years in more than one excellent work published in England and the United States for pupils at this stage. Since the character of the work required, in future, of pupils preparing for the examination in Latin for University Matriculation and Junior Teachers is materially changed, the book has been prepared mainly with a view to meeting the new requirements. According to the new prescription, special importance is to be attached to the translation at sight of passages of average difficulty from Caesar. The prescribed portion of Caesar, while of an amount sufficient to prepare the pupil for the test of his knowledge of Latin Syntax and his power of idiomatic translation, is obviously too small to give sufficient practice in sight reading. Accordingly, the story of Caesar s Conquest of Gaul (Books I.-IV.) has been given in, as far as practicable, Caesar s own language. This has been reduced in amount to somewhat more than the length of an average book of Caesar, by the elimination of digressions, by the omission or modification of passages of more than average difficulty, and in the earlier sections by a certain measure of simplification. These simplified sections would...
