SPEECH DISORDER?: OVERCOMING IT!!!

DOWNLOAD

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Introduction I dedicate this book to my only great grandson Jeremiah, whom I think is one of the wisest and smartest human alive. In the World, approximately four times as many men as women stutter, encompassing 70 million people Worldwide, or about 1 of the World s population. The impact of stuttering on a person s functioning and emotional state can be severe. This may include fears of having toenunciate specific vowels or consonants, fears of being caught stuttering in Social situations, self-imposed isolation, anxiety, stress, shame, being a possible target of bullying (especially in children). In the United States, School-age children with a speech disorder are often placed inspecial education programs. Children who struggle to learn to talk often experience persistent communication difficulties in addition to Academic struggles More than 700,000 of the students served in the Public Schools Special Education Programs in the 2000-2001 School year were categorized as having a speech or language impediment. When I was a small boy, I asked my mother why did I talked the way I did? She said, you will grow out of it as you get older. That never happen. My mother died when I was only eleven years old. My first dramatic experience happen when I was in the second grade. My teacher, Mrs. Hughes gave me a speech that I had to recite in the Easter Play. I panic with the thought of standing before a group of classmate and reciting the part she gave me. I told her that I was to nervous to recite it. She excused me from the Play. I prayed every night when I went to bed, that one day...
