Pearson Education Limited, United Kingdom, 2009. Paperback. Book Condition: New. New ed.. 229 x 155 mm. Language: English . Brand New Book. GET THE RESULTS YOU WANT IN PROJECT MANAGEMENT. FAST. Projects are there to deliver measurable benefits and value to an organisation. Delivering on time and on budget is important, but project management is not just about doing things right, it is also about doing the right things to get the results your business needs. To be an effective project manager you need to maintain flexibility in all things and to maintain your focus on the fact that it is the business need that is paramount, not the process of getting there. Fast to Success: Project Management, helps you do this by providing you with a practical, flexible and adaptable framework for managing projects. This practical, career-oriented book gets you up to speed on project management quickly. It shows you how to integrate the core best-practice tools of project management with broader business needs and how to involve people across the whole business, as and when required. It gives you: * Project management in a nutshell - a series of frequently-asked-questions to give you a concise overview of the subject * The top 10 tools and techniques you can use to help you develop your approach to project management * Simple checklists to help you identify the strengths and weaknesses of your capabilities and those of your team * Advice on leading your team - how to decide your leadership style and build your team * Tips on how to progress your career, whether it s your first 10 weeks in the job or whether you re looking to get right to the top Don t get left behind, set out on the Fast Track today.
