

Central California Coastal Prehistory: A View from Little Pico Creek

Filesize: 7.65 MB

Reviews

This is basically the very best book i have read right up until now. It is definitely simplistic but excitement in the 50 % from the ebook. Your daily life period will likely be transform as soon as you total reading this article pdf.

(Prof. Ambrose Pollich DDS)

CENTRAL CALIFORNIA COASTAL PREHISTORY: A VIEW FROM LITTLE PICO CREEK

Univ of New Mexico Pr, United States, 1995. Paperback. Book Condition: New. 272 x 211 mm. Language: English . Brand New Book. Report on two sites in northern coastal San Luis Obispo County, California, provides both a baseline for a synthesis of past data and a direction for future research into the prehistory of the central coast. Effort is made to refine dating for the site and to isolate temporal components by employing radiocarbon data, contemporary shell-bead typological analysis, and an enhanced obsidian source and hydration sample. To relate site findings to research issues of cultural chronology, subsistence, mobility, social structure, and exchange, faunal remains, human osteology, flaked stone residues, and formal artifacts were studied intensively.
