The picture-perfect new town of Candor, Florida, is attracting more and more new families, drawn by its postcard-like small-town feel, with white picket fences, spanking-new but old-fashioned-looking homes, and neighborliness. But the parents are drawn by something else as well. They know that in Candor their obstreperous teenagers will somehow become rewired - theyll learn to respect their elders, to do their chores, and enjoy their homework. Theyll give up the tattoos, metal music, and partying that have been driving their parents crazy. Theyll become every parents dream. This item ships from multiple locations.
