Reviews

A superior quality ebook and also the font used was interesting to read through. This is for all who statte there was not a well worth reading. I discovered this publication from my dad and i encouraged this pdf to learn.

(Felix Lehner Jr.)

PATCH!

Quadrille Publishing Ltd. Mixed media product. Book Condition: new. BRAND NEW, Patch!, Cath Kidston, The latest addition to Cath Kidston's best-selling range of craft titles is Patch! It presents Cath's innovative take on traditional patchwork, which combines established techniques with a more contemporary approach. Mixing her own distinctive prints with vintage fabrics, Cath has designed 30 original and irresistible projects including not just the pieced quilts that you might expect but also numerous accessories and home furnishings - bags, cushions, pillowcases, even a toddler's toy ball and a dog bed. Patchwork, simply involves sewing together cut pieces of material to create a larger design, and Cath has broadened the boundaries of conventional patchwork to create projects from vintage embroidered traycloths, striped linen tea towels, and shirting. There is a wide range of techniques from simple machine piecing to more complex patchwork, which makes this is a wonderful book not only for beginners but also for advanced sewers who want to tackle more challenging patch projects. The book also includes a needle kit to get you started on your very own patchwork! With clearly written instructions, explanatory diagrams and detailed colour photographs, Patch! is the worthy successor to the best-selling Make! , Sew! and Stitch!.
