Reviews

Excellent e-book and useful one. It is written in straightforward phrases rather than confusing. I am just very happy to explain how here is the finest publication I have got read through in my very own lifestyle and might be the greatest book for possibly.

THE KNOWN AND UNKNOWN SEA

Cillian Press Limited, United Kingdom, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. This haunting and comic fable from the author of *The Sleepwalkers Ball* is a beautiful and heartbreaking journey through memory, loss and imagination. Rumour and suspicion engulf an eerily fog-bound town as its residents begin to receive tickets promising passage across the mist-shrouded bay to the mysterious other side . For Alex and his family, this seems like the beginning of a great adventure, but as reports of a shadowy, half-glimpsed ship start to circulate, so too does the gossip and anxious speculation. Why have some been selected and not others? Who are the employees of the enigmatic White Star Shipping Company? And what ultimately awaits the passengers as they pass over to the spectral and unseen other side? Bilton has created an alternate universe, vividly detailed but utterly ambiguous, absurd and bewildering, a dream that lingers in the mind long after the last page is turned. Dreamlike and immersive, *The Known and Unknown Sea* is a pantomime nightmare, surreal, terrifying and hilarious, full of masks and metamorphoses. It s a world seen through the eyes of children, magical, kaleidoscopic and incomprehensible, beautifully characterised: the fierce Bethan, little Hwyl with his rag-doll indestructibility, the bearded ogre of *The Ship s Doctor*. The book is a darkness lit by flashes of blinding light and sudden, bewildering changes of scene, an infinitely spiralled, inescapable world that echoes with strange voices: Freud and Dylan Thomas, Dante, Kafka and Gunter Grass. * * * Alan Bilton was born in York, UK in 1969. In keeping with the two main sources of employment back then, his family either worked on the railways or in chocolate. Unlike his more practical and mechanically-minded brothers, he became neither...
