I was a rich teenager whose parents died in a plane crash and left me and my sister a two million dollar house and 10 million dollars. I then turned three young girls into French maid whores, for financial reasons and or immigration reasons they allowed this to happen. My story included French maids, anal sex, oral sex, spankings, canings, whippings, strapping s, domination and submission, corner time, and a great amount of humiliation, etc. My delight in training and punishing these three young women into submission eventually leads down a path that I wished that I never traveled. Now, it is time for me to be punished for all my Bad Boy behavior. A continuing series of special, good and bad, characters.
