Whistling Shade Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. what if i got down on my knees? presents romantic misadventures and entanglements of absurd, whimsical, existential longing, featuring discovery, secrets, identity, escape, strange happenings, endurance, regret, and hope. These tales of wonder are about people trying to find meaning and a place in an indifferent world, and their discoveries, revelations, secrets, failures, struggles, connections, and odd encounters along the way- -two unemployed men steal dogs and run them through buildings around town. -a man goes on what turns into the worst date in recorded history. -you are asked to baby-sit for a neighbor, only to find a giant baby waiting for you. -a man comes home to find his entire yard and home paved over by a long lost rival. -a clerk at a used record store finds a man has passed away on one of the couches. -some young adults go into the basement to get sad, in order to impress girls. -a stranger extracts a baby from a man waiting for the bus. With themes of longing, fragility, uncertainty, impermanence, regret, the mysteries hidden in everyday life, discovery, ennui, loneliness, irresponsible behavior, confusion, change, identity, and absurd situations, Tony Rauch is a worthy successor to the artistry and absurdism of Donald Barthelme and Steve Martin.
