

## Brandon and the Bipolar Bear: A Story for Children with Bipolar Disorder (Revised Edition) (Paperback)

By Tracy Anglada

Bpchildren, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Brandon and the Bipolar Bear was the first fictional story available for young children about bipolar disorder. Now revised to keep up with advances in the field, this 24-page book will continue to bring comfort to young ones struggling with this serious illness. By reading the pages of this book, children and adults alike will get a rare glimpse into the private feelings and fears of a bipolar child. Children with bipolar disorder will be able to identify with Brandon's moods as he cycles between depression and mania. They will be comforted along with Brandon as he learns that he is not the only one who struggles with this inner turmoil. They will be educated as he learns what the illness is, how people get it and why there is hope for him to feel better. This story is appropriate for children between 4 and 11 years of age. However it will also be indispensable to parents, health care workers, teachers, grandparents and anyone else who cares about a child with bipolar disorder. It will increase understanding and awareness of this...
