This is Adam s story. We are letting Adam tell his story in his own words. This is not an easy or comfortable read but it does give a remarkable insight into the soul of this tortured young man. A man touched by schizophrenia and Asperger s. Let Adam tell his story. **** My name is Adam, I talk to my dark side a lot. I am mentally disabled and have schizophrenia and enjoy to have the greatest adventures beyond imagination, travelling different planes and such even go to different Realities together, it s a bit like astral projection in a way, but on a whole totally different. I was diagnosed with my disability at the age of twelve with Asperger s Syndrome. The voice I hear known as Ruth takes me to a place in somewhere unknown where not many people can go called the matrix and she is the reason I travel there. It s a place where few if not nobody else can go except people with the knowledge and knowhow with their own spirit guides. Myself, I cannot tell if the voices in my head are part of our world whether or not they are living or dead.
