

Moral Emotions: Reclaiming the Evidence of the Heart (Paperback)

By Anthony J. Steinbock

Northwestern University Press, United States, 2014. Paperback. Condition: New. New. Language: English . Brand New Book. Moral Emotions builds upon the philosophical theory of persons begun in Phenomenology and Mysticism and marks a new stage of phenomenology. Author Anthony J. Steinbock finds personhood analysing key emotions, called moral emotions. Moral Emotions offers a systematic account of the moral emotions, described here as pride, shame, and guilt as emotions of self-given s; repentance, hope, and despair as emotions of possibility; and trusting, loving, and humility as emotions of otherness. The author argues these reveal basic structures of interpersonal experience. By exhibiting their own kind of cognition and evidence, the moral emotions not only help to clarify the meaning of person, they reveal novel concepts of freedom, critique, and normativity. As such, they are able to engage our contemporary social imaginaries at the impasse of modernity and postmodernity.

Reviews

Basically no words to describe. We have read through and i also am sure that i am going to going to read once more once again later on. You may like just how the article writer compose this publication.

-- **Mrs. Jane Quitzon DDS**

The very best publication i possibly read. it was writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
